

Here is a summary of COVID procedures regarding the use of ice surfaces in Dieppe during the yellow phase, until further notice.

- Wearing a mask is mandatory. A face shield worn without a mask is not acceptable.
- Ensure that hands are disinfected regularly.
- The **COVID leader** of each group must arrive 25 minutes early.
- Make sure your participants arrive no more than **20 minutes early**.
- The COVID leader of each group must arrive with a sign-in sheet for his or her group.
- The COVID leader of each group will take each person's name and phone number or check off the attendance sheet.
- **Two** accompanying persons per participant.
- No individual who is not accompanying a child, who is not a family member of a participant (parent, brother, sister, aunt, uncle or grandparent) or who is not a coach will be allowed to enter the arena.
- Passive screening is the method used during this phase, a COVID questionnaire is posted at the building entrance.
- The limit for each locker room with the wearing of a mask will be 18 persons, except for locker rooms 1 and 6 at the UNIplex that will have a maximum of 20 persons. A 1 metre distance must be maintained.
- Mask is mandatory in the locker room and participants may remove it during the final step of dressing up for certain sports. For example, when putting on their helmet and/or before leaving the locker room when heading out onto the ice.
- Showers in the locker rooms are currently not accessible to users.
- Users shall warm up outside of the establishment or at home.
- The full use of the **players' bench** is now allowed in our establishments with the following criteria:
 - Team bench participants must rotate on a regular basis.
 - Players who are not rotating must wear a mask. For example, the back-up goalie should wear a mask because he is not in a regular rotation during the game.
 - Injured players who are not participating in the game are not allowed on the bench.
 - Spitting is not permitted while using the bench.
 - Please limit the number of coaches on the bench.
 - Coaches must wear a mask at all times while they are with the players on the team bench.
 - No grouping around the bench before the start of periods.
 - No team cheers before the start of periods.
- The attendance sheet will be kept in the municipality binder for 21 days.
- The COVID manager for each group should help ensure that the facility's COVID regulations are followed.
- The facility host will walk the corridors to ensure that the regulations are being followed. Provide warnings to groups or see the group's COVID manager for assistance.

- No gatherings in the lobby or parking lot. Accompanying persons must go directly to the stands or outside the building. Always keep to your right when moving around the building.
- Water bottles must be filled at home. The water fountain with the bottle filler section will be available, it will not be possible to drink directly with the mouth.
- If you see someone who is not following Public Health guidelines, please contact 1.844.462.8387
